## ATHLETIC HALL OF FAME

*OFFICIAL NOMINATION FORM*

# Shelton High School

## Athletic Hall of Fame

### PHILOSOPHY AND NOMINATION PROCEDURE

The Shelton High School Athletic Hall of Fame was formed to honor the rich tradition of our athletic program and the individuals and teams that have contributed to that tradition. We need your help with providing information for the individuals and teams who are worthy of consideration for these prestigious awards. All nomination forms need to be submitted to the Shelton High School Athletic Hall of Fame, PO Box 640, Shelton, NE. 68876 for consideration of induction. Nomination forms will be sent to a selection committee who will decide on the inductees into the next class. Qualifying nominees who are not selected will be held for future consideration. Thank you for your consideration.

#### **SPECIFIC CRITERIA FOR INDIVIDUAL INDUCTEES**

Much of this form is aimed at information about an inductee candidate. If you are nominating for the team category, please complete the appropriate nomination form and compile your own separate sheet(s) in support of your nomination.

The following definitions shall apply to the three individual inductee nominating categories. There are no quotas for any category.

**ATHLETE** - Any Shelton High School athlete who participated in athletics and whose primary achievement in the field of athletics occurred during such high school participation. Any such person may not be considered until 7 years after high school graduation.

**COACH** - Must be or has been an employee at Shelton High School who has coached a sanctioned activity/sport for at least 5 years. A coach would be eligible for Hall of Fame induction if he/she has retired from coaching or has reached the age of 60.

**CONTRIBUTOR** - Those who have made contributions to Shelton High School athletics in some capacity other than the above mentioned categories. This category would include broadcasters, sports writers, tournament officials, community leaders, athletic administrators or any individual who made a significant contribution to high school sports at Shelton High School.

Once a person has been nominated, the nomination remains in the Hall of Fame's active file for five years. If a nominee is not selected within five years the nomination is removed from consideration.
